Attached are 3 OTIS reports for West Fertilizer. One is under the name of Adair Grain DBA West Fertilizer.

There were no inspections or enforcement listed in these reports, which go back 5 years.

In ICIS, there is the CAA 112(r) enforcement action which was issued on 8/14/06 (almost 7 years ago) which is why it is not on the OTIS report. Bob Goodfellow is listed as the Enforcement Officer.

Thank you,
